

RESEARCH ACCESS AND PREMIER ALL ACCESS LICENSE AGREEMENT

SAGE PUBLICATIONS, INC.

AND

THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL

This Research Access and License Agreement (the “Agreement”) is effective as of January 1, 2020 (the “Effective Date”) and is entered into by and between SAGE Publications, Inc., a Delaware Corporation, with its principal offices at 2455 Teller Road, Thousand Oaks, California (“SAGE”), and The University of North Carolina at Chapel Hill, a public university of the State of North Carolina, with its principal offices at 208 Raleigh Street, Davis Library, CB #3938, Chapel Hill, NC 27599 (“Licensee”) (collectively referred to herein as the “Parties”).

In consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

I. DEFINITIONS

The following terms shall have the following meanings:

“**Additional Funding Support**” shall mean the funds allocated by SAGE to the Open Access Pre-Paid Account in each year of the Term as further described in Section II.3.

“**Affiliated Authors**” shall mean faculty, staff, and students of Licensee who are corresponding authors of articles accepted for publication in a SAGE-published subscription journal. Corresponding authors are those authors who manage the submission process and related communication for the article during the journal’s review process. Where the corresponding author for the article is not a faculty member, staff, or student of Licensee, even though one of the article’s co-authors may be, the article will not be considered authored by an Affiliated Author.

“**Article Processing Charge**” shall mean the fee charged for the open access publication of an article.

“**Authorized Users**” shall mean individuals who are authorized by the Licensee to access the Licensee’s information services whether on-site or off-site via Secure Authentication and who are affiliated to the Licensee as a currently enrolled student (undergraduates and postgraduates), member of staff (whether on a permanent or temporary basis), alumni, or contractor of the Licensee. Persons who are not a currently enrolled student, member of staff or a contractor of the Licensee, but who are permitted to access the Licensee’s information services from computer terminals within the physical premises of the Licensee [“Walk-In Users”] are also deemed to be Authorized Users, only for the time

they are within the physical premises of the Licensee. Walk-In Users may not be given means to access the Licensed Material when they are not within the physical premises of the Licensee.

“Base Funding” shall mean the portion of the Fees allocated to the Open Access Pre-Paid Account in each year of the Term.

“Commercial Use” shall mean use for the purpose of monetary reward (whether by or for the Licensee or an Authorized User) by means of the sale, resale, loan, transfer, hire or other form of exploitation of the Licensed Materials. For the avoidance of doubt, neither recovery of direct cost by the Licensee from Authorized Users, nor use by the Licensee or Authorized Users of the Licensed Materials in the course of research funded by a commercial organization is deemed to constitute Commercial Use.

“Educational Purposes” shall mean for the purpose of education, teaching, distance learning, private study and/or research.

“Eligible Articles” shall mean articles (i) by Affiliated Authors, that are (ii) accepted during the Term of the Agreement for publication in a subscription journal published by SAGE, and (iii) which are eligible for publication on an Open Access basis within the accepting journal, such as through “SAGE Choice” or other open access arrangement, and (iv) are classified as an “Article” type, including but not limited to: Original Research Papers, Review Papers, Brief Communications, Short Reports, and Case Reports. Papers published as part of commercially-sponsored supplements, errata, book reviews, editorials, published abstracts, call for papers, news items or similar will not be considered Eligible Articles.

“Fees” shall mean the fees as set out in Exhibit 3.

“Intellectual Property Rights” shall mean patents, trademarks, trade names, design rights, copyright (including rights in computer software and moral rights), database rights, rights in know-how and other intellectual property rights, in each case whether registered or unregistered and including applications for the grant of any of the foregoing and all rights or forms of protection having equivalent or similar effect to any of the foregoing which may subsist anywhere in the world.

“License” shall mean the non-exclusive, non-transferable license to access and use the Licensed Materials and all updates related thereto via Sage Journals Online (“SJO”), SAGE’s online delivery platform.

“Licensed Materials” shall mean the materials that are subject to this Agreement and shall consist solely of the journal titles published by SAGE as set forth on Exhibit 1 attached hereto and incorporated herein by reference. “Licensed Materials” does not include any additional journals, publications, or other content not identified on Exhibit 1.

“Non-Participating Journals” shall mean the society-owned journals that do not participate in the SAGE standard Green OA policy, which includes permitting posting of

the author accepted manuscript upon acceptance. The Non-Participating Journals are listed at <https://us.sagepub.com/en-us/nam/journal-author-archiving-policies-and-re-use> and attached hereto as Exhibit 5, and may be updated from time to time by SAGE in its sole discretion.

“Open Access Option” shall mean SAGE’s ‘SAGE Choice’ or similar option for open access publication of an article accepted for publication within a subscription journal.

“Open Access Pre-Paid Account” shall mean the funding amount available for Affiliated Authors’ Eligible Articles as further described in Section II.2.

“Reasonable Amount” shall mean not more than 10% of the content contained in the Licensed Materials.

“Secure Authentication” shall mean access procedures to the Licensed Material by Internet Protocol (“IP”) address ranges listed on Exhibit 2 or by another means of authentication agreed between the Publisher and Licensee from time to time.

“Third-Party Funder” shall mean a funding agency, commercial organization, or other entity that funds payment of an Article Processing Charge on behalf of the author(s).

II. OPEN ACCESS PUBLICATION SUPPORT AND RESEARCH ACCESS

SAGE will support open access publication by Affiliated Authors as follows:

1. **Discounted Article Processing Charge.** SAGE will offer Affiliated Authors a discounted Article Processing Charge (“APC”) rate of two thousand five hundred dollars (\$2,500) for their Eligible Articles accepted for publication during the Term. For any journals with a standard APC below \$2,500, the journal’s standard APC will apply.
2. **Open Access Base Funding Support.**
 - a. In calendar year 2020, SAGE will provide annual Base Funding in the amount of \$160,000 for an Open Access Pre-Paid Account (“OAPA”) to support publication of up to sixty-four (64) Eligible Articles under an Open Access Option accepted in the 2020 calendar year.
 - b. SAGE and Licensee will consult at the end of the 2020 calendar year to agree on the amount of Base Funding for Eligible Articles accepted during the 2021 year. The Parties will consult in each year of the Term thereafter in order to reach mutual agreement by December 31st of the year on the amount of Base Funding for Eligible Articles accepted in the following year.
 - c. For the avoidance of doubt, Eligible Articles will be eligible to receive OAPA funding, subject to the following:

- i. the Affiliated Author selects publication of their accepted article under an Open Access Option, and
- ii. OAPA funding is available at the time the article is accepted, and
- iii. the corresponding author of the article is an Affiliated Author, and
- iv. the article is an original research paper, review paper, brief communication, short report, or case report.

3. Third-Party Funder Paid Articles; Additional Funding Support.

- a. For any Eligible Articles where the Article Processing Charge is paid by a Third-Party Funder, SAGE will charge the funder the discounted Affiliated Author rate of \$2,500 (unless the journal has a lower APC as its standard rate, in which case the standard rate will apply). To support the growth of Licensee's and the Affiliate Authors' open access publishing, for each of the first one hundred twenty-eight (128) such funder-paid Eligible Articles accepted in any year of the Term, SAGE will issue a credit to the subscription amount billed to Licensee for such year equal to fifty percent (50%) of the funder-paid APC (e.g., \$1,250 for APC's equal to \$2,500) (such credits referenced as the "Additional Funding Support"). The Additional Funding Support will be available in the OAPA so that every two funder-paid articles will support funding of an additional APC for Eligible Articles, for a maximum of sixty-four (64) additional supported open access Eligible Articles each year.
- b. In the event the Agreement is renewed for calendar years 2021 and 2022, SAGE will issue credits as Additional Funding Support for the first one hundred thirty (130) funder-paid Eligible Articles accepted in calendar year 2021, and the first one hundred thirty-three (133) funder-paid Eligible Articles accepted in calendar year 2022. Additional Funding Support will only be available for use in the then-current year, and will not be available in future calendar years.

4. Availability of Funding.

- a. Credit in the OAPA will be available for use only during the same calendar year the funding originates, whether Base Funding or Additional Funding Support, and will not carry over from one calendar year to the next.

In the event OAPA funds are exhausted in any calendar year, Licensee may elect, at its sole discretion, to increase the available funding at the rate of \$2,500 for each additional funded Eligible Article. Such supplemental OAPA funding the Licensee elects to pay will carry over from one calendar year to the next. Any supplemental OAPA funding that Licensee elects to pay will be subject to

SAGE's OAPA terms and conditions, the current version which are attached here as Exhibit 6. In the event SAGE revises the OAPA terms and conditions, SAGE will provide Licensee with written notice of the updated terms. Such terms will neither differ materially from nor be more restrictive than the terms of this Agreement. In cases of conflict, the terms of this Agreement will prevail.

5. Additional Collaboration; Research Access.

- a. SAGE and Licensee will collaborate, as requested by either party during the term of the Agreement, to identify mutually-agreeable efforts that advance the objectives of the research access initiative.
- b. Eligible Articles published under an Open Access Option will be published under a Creative Commons license, allowing certain limited re-use by readers.
- c. Affiliated Authors with papers accepted for publication in a subscription journal for standard (i.e., non-open access) publication will retain rights for the authors' further use and distribution of the Accepted Manuscript version of their papers, as set forth in the SAGE Author Archiving Policies and Re-use policy (located at <https://us.sagepub.com/en-us/nam/journal-author-archiving-policies-and-re-use>, with the current version attached hereto as Exhibit 4). With the exception of a limited number of society-owned journals following a different re-use policy, the author re-use policy provides that authors will retain the right to post the 'Accepted Manuscript' version of their article on any website immediately upon acceptance (i.e., "Green" deposit), with the understanding that Green deposit of the Accepted Manuscript will only be allowed under terms limited to non-commercial, non-derivative use.
- d. The Parties agree that neither SAGE nor Licensee will require Affiliated Authors to publish on an open access basis their articles accepted for publication in a SAGE-published journal. Articles by Affiliated Authors published in a SAGE journal (excluding the Non-Participating Journals) that are not published as open access, will be made publicly available by the author or Licensee under SAGE's Green OA policy, which permits immediate open access posting of the accepted manuscript of the article in the author's institutional repository and additional websites.
- e. The Parties further agree that SAGE and Licensee's initiative is intended to support open access publication in SAGE subscription journals, and articles by Affiliated Authors that are accepted for publication in a SAGE-published open-access journal, where all articles in the journal default to open access, will not be eligible for

OAPA funding until such time as the Parties reach agreement with respect to such eligibility.

6. Eligible Article Workflow, Licensee Institutional Deposit, and Reporting.

- a. SAGE will collaborate with Licensee to implement a workflow to facilitate the open access publication of Eligible Articles.
- b. Licensee will issue promotional communications about the open access option and availability of open access funding to its faculty, employees, and students. As part of such communications, Licensee will provide persistent reference (e.g., webpage) for their staff and students that includes information about eligibility and encourages authors to identify themselves as potential Affiliated Authors to qualify for the OAPA funding.
- c. SAGE will make reasonable efforts to develop systems, tools, and solutions that accomplish the deposit of, and transfer of metadata about, manuscripts authored by Licensee's Authorized Users accepted for publication in a SAGE journal into Licensee's institutional repository.
- d. As reasonably requested by Licensee, no more frequently than on a monthly basis, SAGE will provide Licensee with a report of the Eligible Articles published under an Open Access Option in the then-current calendar year, including identifying articles for which the APC was paid by a Third-Party Funder. SAGE will make reasonable efforts to include relevant funder information from the Funders Registry in the provided reports, as mutually agreed by the Parties and subject to the ability of SAGE's systems to correlate this information.

III. SAGE PREMIER ACCESS AND GRANT OF LICENSE

During the Term, SAGE grants to Licensee on its own behalf a License to access and use the Licensed Materials and all updates thereto via SJO in a manner consistent with the Agreement. Should SAGE lose the right to license any of the content comprising the Licensed Materials during the term of the Agreement, SAGE shall, at its sole discretion and as business needs dictate, replace the content with similar content. Should the Licensed Materials be reduced or exchanged for other content in excess of 10%, the Licensee shall be notified of such changes in writing. The Licensee shall then have the option to accept the changes, in writing, or terminate the Agreement without penalty and with a pro rata refund.

The *SAGE Premier All Access Model* offers participating members access to all SAGE journal titles that are part of the SAGE Premier offer, including all titles which are added to the published SAGE Premier list (new titles added in January of each year) for the

duration (term) of the Agreement (an initial one-year term and two successive one-year periods). Pricing set out for Years One, Two, and Three in the contract includes access to all new titles that may be added to SAGE Premier during the Term as well as all titles which remain on the SAGE Premier list during the Agreement. The Licensee will maintain, at no additional cost, their primary subscriptions of any titles transferring from other publishers to SAGE during the initial one year term and if renewed, second and third year of the Agreement. Thereafter, SAGE may increase the Fees quoted for years four and later by an amount equal to SAGE's list price for any newly transferred titles, provided that such list price will not be higher than the cost of the Licensee's previous subscription to the transferred title, except in the event of increased frequency, additional page counts and enhanced publication criteria. SAGE will inform Licensee of transfer title prices and the rationale for price increases over the cost of the Licensee's previous subscriptions. SAGE understands the budget sensitivities of libraries and will consider requests for price adjustments for a specific transfer title if Licensee believes that it cannot absorb the price increase. SAGE shall make good faith efforts to control costs as much as possible when these are in SAGE's control. If Licensee received access to their subscription for these transferring titles through a consortium package, Licensee will not be required to maintain any single subscription to the transferring title. Online access to journal content includes ownership of the subscribed content published by SAGE during the term of the Agreement. Complimentary access dating back to 1999 is granted while a current subscription is maintained. Titles which cease to be published by SAGE during the term of this Agreement shall cease to be included in the list of titles included in the SAGE Premier All Access Model from the time at which the title ceases to be published by SAGE.

SAGE acknowledges that Licensee may participate in archiving systems such as LOCKSS, CLOCKSS, and Portico. Licensee may perpetually use these systems to archive and restore the Licensed Materials, so long as Licensee's use is otherwise consistent with this Agreement. SAGE shall notify the Licensee in writing if discontinuing arrangements with Portico or establishing an arrangement with another third party archive, either in lieu of or in addition to Portico.

In the event Licensee wishes to obtain print access to any of the Licensed Materials, SAGE will offer a *Deep Discount Price* of 75% off published list prices, referred to as 'combined price' on the SAGE price list. The *Deep Discount Price* does not apply to existing holdings. In order to receive this Deep Discount rate, Licensee must notify SAGE or Licensee's preferred agent of its interest, and provide a complete list of all titles that it wishes to receive. Requests or inquiries should be sent directly to DDPsubs@sagepub.com or call 800-818-7243.

This License extends to Licensee's Authorized Users. The Licensed Materials may be networked throughout the IP ranges of Licensee as listed in Exhibit 2 and may also be made available remotely through the Secure Authentication Licensee establishes.

IV. PROPRIETARY RIGHTS IN THE LICENSED MATERIALS

On its own behalf and on behalf of itself and its Authorized Users, Licensee acknowledges and agrees that (i) the Licensed Materials are proprietary to SAGE, (ii) the Licensed Materials shall remain the exclusive property of SAGE, and (iii) the Licensee and the Authorized Users have no rights in or to the Licensed Materials other than as set forth herein. The Licensed Materials are copyrighted by SAGE or third parties designated in individual journals and all rights are reserved by SAGE. SAGE warrants that it has the right to license the rights granted under this Agreement to use the Licensed Materials. Neither Licensee nor the Authorized Users shall duplicate, distribute, sell, commercially exploit, create derivative works from, or otherwise make available the Licensed Materials or information contained therein, in any form or medium, to any third party other than as specifically authorized by this Agreement or applicable law.

V. FEES

SAGE shall invoice the Licensee for the Fees due for the Licensed Materials as noted in Exhibit 3. All fees are due and payable by Licensee thirty (30) days after receipt of invoice.

VI. AUTHORIZED USE OF LICENSED MATERIALS

In addition, Authorized Users have the right to use, with appropriate credit, figures, tables and brief excerpts from the Licensed Materials in the Authorized User’s own scientific, scholarly and educational works.

Text Mining. Authorized Users may use the Licensed Materials to perform and engage in text mining and data mining activities for legitimate academic research and other educational purposes. Those uses beyond research and educational use shall require SAGE’s permission.

Nothing in this Agreement shall be construed to limit the right of the Licensee or any Authorized User to use the information in accordance with the Fair Use provision of U.S. copyright law.

SAGE acknowledges that the Licensee cannot police or control the actions of its students, faculty, and other Authorized Users with respect to their use of this Product.

VII. RESTRICTIONS

Except as provided herein, the Licensee and Authorized Users shall not use the Licensed Materials as follows:

Alter Identification. Remove, obscure or modify copyright notices, text acknowledging, attributions or other means of identification or disclaimers as they appear;

Alter Licensed Materials. Alter, adapt or modify the Licensed Material, except to the extent necessary to make it perceptible on a computer screen, or as otherwise permitted in this Agreement. Alteration of words or their order is strictly prohibited.

Distribution. Display or distribute any part of the Licensed Material on any electronic network, including without limitation the Internet and the World Wide Web, and any other distribution medium now in existence or hereinafter created, other than by a Secure Network;

This Clause shall survive termination of this Agreement for any reason.

VIII. Confidentiality

This provision is removed by the mutual consent of the Parties.

IX. NO WARRANTIES

SAGE IS PROVIDING THE LICENSED MATERIALS IN AN "AS IS" CONDITION. SAGE DOES NOT WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATION REGARDING THE ACCURACY, COMPLETENESS, CORRECTNESS, RELIABILITY, CURRENCY OR OTHERWISE, OF ANY PORTION OF THE LICENSED MATERIALS OR THE USE OR RESULTS TO BE OBTAINED FROM USING THE LICENSED MATERIALS OR THE INFORMATION CONTAINED THEREIN, OR ANY RELATED DOCUMENTATION OR WRITTEN MATERIALS.

X. LIMITATION OF LIABILITY

NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, AND TO THE EXTENT ALLOWED BY APPLICABLE LAWS, SAGE SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF DATA, OR BUSINESS INTERRUPTION, ARISING OUT OF THE USE OF OR THE INABILITY TO USE THE PRODUCT(S) AND/OR THE SAGE PLATFORM (EVEN IF SAGE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES). IN ADDITION, SAGE SHALL NOT BE LIABLE FOR ANY DAMAGES OR LIABILITY THAT RESULT OR ARISE FROM THE RESULTS OF LICENSEE'S USE OR INABILITY TO USE THE PRODUCT(S) AND/OR THE SAGE PLATFORM.

NEITHER THE EXECUTION OF THIS AGREEMENT NOR ANY PROVISION OF THIS AGREEMENT WILL BE CONSTRUED TO WAIVE OR ALTER THE APPLICATION OF ANY PROVISION OF NORTH CAROLINA LAW OR PUBLIC POLICY CONDITIONING CONTRACTS OF AGENCIES OF THE STATE OF NORTH CAROLINA.

XI. ACCESS AND USE

Licensee and Authorized Users shall have unlimited access to the Licensed Materials, 24 hours/day, seven days/week. Notwithstanding the foregoing, SAGE reserves the right to shut down SJO without prior notice to resolve any technical issues that may arise at any time as determined in SAGE's sole and absolute discretion. In the event a period of interrupted service extends beyond ten (10) consecutive days, SAGE shall offer an extension of the subscription period of equal length to the interrupted service, or a pro rata refund, the choice of which shall be at the sole discretion of SAGE.

In the event of any unauthorized use of the Licensed Materials by an Authorized User, Licensee shall cooperate with SAGE in the investigation of any unauthorized use of the Licensed Materials of which it is made aware and shall use reasonable efforts to remedy such unauthorized use and prevent its recurrence. SAGE may terminate such Authorized User's access to the Licensed Materials after first promptly notifying Licensee of the access termination and cooperating with the Licensee to avoid recurrence of any unauthorized use.

XII. SYSTEM REQUIREMENTS

Licensee acknowledges that there are certain system requirements that are necessary in order to use SJO, and Licensee is financially and technically responsible for making reasonable efforts to ensure that these requirements are met. SAGE recommends using the most current browsers available.

XIII. FORCE MAJEURE

SAGE shall not be responsible for any failure to perform, or delay in performance, in whole or in part, due to unforeseen circumstances or circumstances beyond its control.

XIV. TERM AND TERMINATION

This Agreement shall be in effect from January 1, 2020 through December 31, 2020 (the "Term"). Thereafter, the term of the Agreement will automatically renew for up to two successive one-year renewal periods unless terminated by either party in writing to the other party at least thirty (30) days prior to each successive renewal period.

Either Party may cancel this License if the other Party materially violates any of the terms and conditions set forth herein and such Party fails to remedy such material breach within thirty (30) days' written notice thereof. Thirty (30) days prior to the expiration of the Term, and upon Licensee's written request, SAGE shall deliver to Licensee the digital files comprising the subscribed content of the Licensed Materials for which Licensee will have an ongoing right to access, and the use of such provided material shall be governed by the terms of this License. All information will be delivered in an electronic medium agreed to by the Parties. The terms and conditions of paragraphs IV, VI, VII, IX, and X shall survive termination of this license.

XV. GOVERNING LAW

This provision is removed by the mutual consent of the Parties.

XVI. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement of the Parties and supersedes all prior communications, understandings and agreements relating to the subject matter hereof, whether oral or written. The terms and conditions of this Agreement override all online click-through agreements, any click-wrap agreements, any automatic update agreements, and any other agreement, of whatever kind, whereby users of the Licensed Materials purport to enter into or accept contractual terms or conditions that are different from, or in addition to, this Agreement. For the avoidance of doubt, online terms and conditions as referenced in Section II and Exhibit 6 shall not modify the terms of this Agreement.

XVII. AMENDMENT

No modification or claimed waiver of any provision of this Agreement shall be valid except by written amendment signed by authorized representatives of the Parties hereto.

XVIII. SEVERABILITY

If any provision or provisions of this Agreement shall be held to be invalid, illegal, unenforceable or in conflict with the law of any jurisdiction, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

XIX. WAIVER

Waiver of any provision herein shall not be deemed a waiver of any other provision herein, nor shall waiver of any breach of this Agreement be construed as a continuing waiver of other breaches of the same or other provisions of this Agreement.

XX. CONSENT TO ELECTRONIC COMMUNICATIONS

Licensee hereby provides its express consent for SAGE, its affiliates and their respective designees to contact including, without limitation, via e-mail, Licensee (including its personnel and other contacts made by SAGE during the course of its business dealings with Licensee) in connection with this Agreement.

XXI. ELECTRONIC SIGNATURE AUTHORIZATION

Licensee and SAGE agree that this transaction may be conducted by electronic means and the Parties authorize that their electronic signatures act as their legal signatures of this Agreement. This Agreement will be considered signed by a party when his/her/its electronic signature is transmitted. Such signature shall be treated in all respects as

having the same effect as an original handwritten signature. A Licensee is not required to conduct this transaction by electronic means or use an electronic signature, but if he/she/it does so, then his/her/its authorization is hereby given pursuant to this section.

XXII. COUNTERPARTS

This Agreement may be executed in two or more counterparts, either in electronic or nonelectronic form, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. If a party sends a signed copy of this Agreement via electronic means, such party, will upon request by the other party, provide an original handwritten signed copy of this Agreement. A printed version of the electronic form or counterpart of this Agreement will be admissible in judicial proceedings based upon or relating to this Agreement to the same extent and subject to the same conditions as other documents originally generated and maintained in printed form.

XXIII. NOTICES

All notices given pursuant to this Agreement shall be in writing and may be hand delivered, or shall be deemed received upon confirmation of receipt. If any notice is sent by facsimile, confirmation copies must be sent by U.S. Mail or hand delivery to the specified address. Either party may from time to time change its Notice Address by written notice to the other party.

Three versions of the Contribution are referenced in these guidelines:

- **Original Submission:** the version submitted by the author before peer review
- **Accepted Manuscript:** version updated to include the author's revisions after peer review, prior to any typesetting for the journal. This is often the version accepted by the editor
- **Final Published PDF:** copy-edited and typeset Publisher's PDF, the same version published on the journal's website

GREEN OPEN ACCESS: SAGE'S ARCHIVING AND SHARING POLICY

You may share the **Original Submission** or **Accepted Manuscript** at any time and in any format. Your sharing of the **Original Submission** or **Accepted Manuscript** may include posting a downloadable copy on any website, saving a copy in any repository or network, sharing a copy through any social media channel, and distributing print or electronic copies.

For information on use of Institutional Repository (IR) copies by authors and IR users, see [Posting to an Institutional Repository - Green Open Access](#).

You may use the **Final Published PDF** (or **Original Submission** or **Accepted Manuscript**, if preferred) in the following ways:

- in relation to your own teaching, provided that any electronic distribution maintains restricted access
- to share on an individual basis with research colleagues, provided that such sharing is not for commercial purposes
- in your dissertation or thesis, including where the dissertation or thesis will be posted in any electronic Institutional Repository or database
- in a book authored or edited by you, at any time after the Contribution's publication in the journal.

Provided that:

- Access to the Original Submission and Accepted Manuscript is provided at no charge.
- Any re-use terms for users of websites and repositories (where your **Original Submission** or **Accepted Manuscript** are posted) are restricted to non-commercial and no derivative uses.
- You may not post the **Final Published PDF** on any unrestricted website or repository without permission from SAGE.

SAGE's OAPA Terms and Conditions

INTRODUCTION

SAGE Publications Inc., which shall include all subsidiaries, including SAGE Publications Limited and all sister companies, affiliates and related companies, (altogether known as "SAGE") has created **SAGE Open Access Platform (SOAP)** to provide our authors with a web-based tool to facilitate fast and efficient ordering and payment processing of relevant publication charges. By completing this transaction, you agree that the following terms and conditions apply to this transaction (along with the Billing and Payment terms and conditions established by SAGE, at the time that you opened your account).

PAYMENT

Payment is due in advance of service or as per the terms agreed and indicated on your invoice. SAGE reserves the right not to publish the article until payment has been made. If SAGE have allocated a credit facility to you, you will be advised of the payment terms. If payments are not made on time then SAGE reserve the right to take the following action:

- withhold all future orders until payments are made;
- reduce or remove the credit facility for all future orders;
- report the situation to others who ask us or have at any time asked us for trading references;
- refuse credits relating to the overdue or any other invoices;
- review all overdue invoices and remove any special pricing, discounts or net price agreements in favour of full list prices;
- take legal recourse as deemed appropriate. In this event, legal costs will be charged to you for full recovery via the courts.

Payments should be made in the **currency** in which the invoice has been raised. Bank details relating to this currency will be indicated on your invoice.

All **bank charges** must be paid by you, or SAGE will re-bill these to your account with us. Drafts and cheques must be mailed in good time, to arrive with SAGE one week before the invoice due date. We recommend you obtain proof of posting and mail only through a registered delivery service. Do not send drafts or cheques to our local offices, as it is your responsibility to deliver payment directly.

Payments should be accompanied by a **remittance advice**, or the notice must be sent by email as soon as the telegraphic transfer has been made. In the case of no remittance being received, SAGE will automatically allocate the payment against the oldest invoices on your credit account.

Should you wish to place an order with a net value that exceeds your credit limit with us, an advance payment can be made for the excess sum.

Credit limits are reviewed annually. All reviews and alterations are made at SAGE management's discretion and further references may be required as part of this review process.

SAGE may withdraw your credit facility at any time and request pre-payment.

TAXES

Article Processing Charge (APC) payments are subject to VAT, GST, and Sales taxes where applicable. Tax-exempt status can be indicated by providing appropriate registration numbers when payment is requested. This does not apply to UK institutions, who will be charged VAT.

Article Processing Charges (APC) payments paid using credit of a SAGE Open Access Prepaid Account are not subject to VAT/GST or Tax at the time of using the credit as the tax is applied (where applicable) when SAGE invoices for the pre-paid balance.

CURRENCY

The currency in which the APC is charged is determined by the geographical region of the corresponding author and cannot be changed by the payer of the APC. Payments are required to be made in the same currency as the related invoice(s).

REFUNDS

SAGE is under no obligation whatsoever to publish any article and has the right to refuse publication at its sole discretion. If, following payment, SAGE reasonably considers that the article should not be published for any reason we reserve the right to decline to publish the article, in which case we would refund the open access article processing charge. If after publication SAGE reasonably considers that the article should be retracted or removed from our website as a result of a breach of publishing ethics, we will be under no obligation to refund the open access article publishing charge.

SAGE is under no obligation to refund - in full or in part - the article processing charge, if a discount or waiver which may have been applicable is not declared prior to invoice being raised or to Open Access Prepaid Account drawdown transaction.

All refunds are to be processed in the same format as the original payment received, except where circumstances prevent this from happening.
